

Recruitment - Board of Directors

Peer Support South East Ontario is currently recruiting for Board members at the Governance level of the organization. These are voluntary positions of significant leadership.

Currently we are interested in Board Members, ideally who can represent the Quinte West or North Hastings area and have a background/expertise in Finance and/or Employment Law.

Board meetings are held once per month in Belleville and while the preference is to attend in person, we provide Directors with the technology to participate in meetings electronically, by teleconference or by Skype. We respect and appreciate that those Board members who live lengthy distances, rural and/or remote, have full opportunity to join and be an active participant on the Board of Directors.

If you have an interest to serve in such a capacity with a grassroots, non-profit, growing organization, we encourage you to apply with Cover Letter and Resume to:
