Maggie is an enthusiastic Peer Supporter, who is known for her friendship, humor, and compassionate ear. She recently accepted a position as a Peer Supporter for Three Doors Down in Picton. Her lived experience has shown her the true meaning of community, empathy and loyalty. This has given her a unique perspective into ways we can improve the quality and enjoyment of the lives of those who live 'with a story.' She loves art, yoga, writing, cooking; and is looking forward to using her creative side to achieve the goals of the support network. Maggie loves to learn our folks' ideas and put them into action!
